Permission and Waiver for Youth Activities during COVID-19 Pandemic

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. As a result, federal, state, and local governments and agencies are limiting group gatherings, requiring the use of face masks, and recommending physical distancing and frequent hand washing. As we continue to learn about this virus and navigate life together, we are doing everything we can to ensure your safety and be compliant with all regulations. We have put in place preventative measures to reduce the spread of COVID-19, but we cannot guarantee that you or family members will not become infected with COVID-19. In these times, there is an inherent risk in sending your children outside the home. Your child and/or you may become infected with the virus. If infected, you may also infect others, including your friends and other members of your family. You may contract a serious form of COVID-19 and could die from it.

By participating in programs, services, and activities of Pilgrim Lutheran Church, you agree to the following:

- Talk with your child(ren) about the importance of physical distancing, frequent hand-washing, and wearing a face mask.
- Refrain from allowing your child(ren) from participating in youth activities if:
 - anyone in your household has had a fever, cough, or other sickness in the last 48 hours,
 - anyone in your household has been in contact with someone who has either been diagnosed with COVID-19 or is undergoing assessment for possible COVID-19 in the last 14 days,
 - anyone in your household has traveled out of the state or to regions within our state that have experienced severe COVID-19 outbreak in the last 14 days.
- Allow your child(ren) to have a temperature check before participating in each event and/or during the event if the child(ren) appears or feels sick.

On behalf yourself and your children, you hereby release, covenant not to sue, discharge, and hold harmless Pilgrim Lutheran Church its employees, agents, and representatives, of and from all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating to your participation in our programs, services or activities. You understand and agree that this release includes any claims based on the actions, omissions, or negligence of this organization, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any such program, service or activities.
